Minimum Qualifications

Minimum qualifications must be met. The Public Works Director reserves the right to reject at any time, including after an initial inclusion on the Roster, if the applicant is not responsible in the opinion of the Public Works Director.

0	Do you have a current valid Contractors license and Roster? Yes	will you ma	intain the lice	ense while on the	
0	Have you successfully finished four public-agency co		orojects?		
	Yes	No			
0	Do you have a strong claims history, stong safety re-		1.0 on the La	&I rating), and strong	
0	financial history? Yes Does any employee or official of any of the current p	No participating	roster agenci	ies have anv financial	
	or other interest in your firm, which you know of?	3		,	
	Yes	No			
Insur	ance Requirements				
	ant must have the following minimum insurance cover of General liability insurance of at least \$3,000,000	•		of application:	
	o \$3,000,000 aggregate, Combined Single Limit	(CSL);			
	 Automobile liability of at least \$3,000,000 per accident CSL; and 				
	o Ability to name the Public Agency as an Addition	onal Named	Insured		
Do you	currently maintain the minimum required insurance of Yes	coverage? No			
If no, d	escribe any differences to the specified coverage amo	— ounts:			
Are the	ere any current claims that are pending against this ins	•	cy?		
	Yes	No			
C = 1-1	vootov Financial History				
	ractor Financial History the past five years, has the contractor been involved	in anv			
D anning	 Construction bond forteiture; 	arry.	Yes/No		
	 Construction litigation; or 		Yes/No		
	Claims exceeding ten perccent of the contract	price?	Yes/No		
	ractor History				
Provide	e dates for the periods within the past ten years that the	ne contracto	or:		
Has no	t been an active contractor:			or N/A:	
Has no	t been a licensed contractor:			or N/A:	
Has be	en in bankruptcy, reorganization or receivership:			or N/A:	
Has ov	ner been convicted of a felony?			or N/A:	
Has the	e company ever been disqualified by any public agend	cy from part No	icipation in p	ublic contracts?	
If yes,	olease explain:

Rev. 4/13 Page 5 of 6

Site Improvements (con't):	Facility Construction (con't):
Landscaping	HVAC Testing and Balancing
Power Washing/High Pressure Cleaning	HVAC Cleaing
Industrial Cleaning and Vacuuming	Insulating
Sign Installation	Wallboard Installation
Playground Equipment Installation	Fire Sprinkling Systems
Tennis Courts	Floor Covering
Vertical Climbing Walls	Hardwood Floor Refinishing
Underground Storage Tank (UST) Installation/Removal/Retrofit	Tile/Grout Installation & Repair
Rip Rap	Windows and Glazing
Toilet Construction/Access	General Building Contracting
Turf Renovation	Metal Fabrication
Buildings Metal Pole	Roofing
Athletic Surfacing Systems	Painting Painting
Playfield Lighting Installation	Concrete Flatwork
Machinery Moving/Installation	Security System Installation
Operated Equipment Rental	Sound System Installation
Fiberglass Railing Systems	Prefab Metal Structures
Docks, Bridges, Piling, Wharfs and Floats	Welding
Diving Services	Pedestrian Doors/Automatic or Manual
Sports Turf Drainage	Acoustical Ceiling Cleaning
Bridge Debris Removal	Hot Tapping (Flow Meter Install)
Concrete/Masonry:	Hot Tapping (Fire Sprinkler Systems)
Coring/Drilling	Swimming Pool, Spa, Filters, Chemicals
Restoration and Cleaning	Elevator Repair
Concrete Cutting/Concrete Staking	Gutters/Downspouts
Masonry Construction	Water Damage Clean-Up
Pre-Cast Concrete Wheel Stops	Fire Damage Clean-Up
Concrete/Asphalt Wheelchair Ramps/Grab Rails	Installation of Food Service Equipment
Mechanical:	Water Tank Exterior/Interior Paint & Wash
Victaulic, Flanges, Mechanical Joint Pipe	Hoist and Crane Service
Pump Installation	Laundry Room Hook-Up/Drain Repair
Incinerator/Boiler Installation	Pest Control
Pipe Sacking	Disaster Restoration
Pump Construction Remodel	Generators
Natural Gas Install and Repair	Furniture Moving
Hot Tapping (Vitaulic, Flanged)	Graffiti Removal
Vehicle Exhause Extraction System	-
