Authority

Pursuant to the authority of Section 119 of the Department of Justice Appropriations Acts of 2001 (Public Law 106-553), this Agreement is entered into between the United States Marshals Service (hereinafter referred to as the "Federal Government") and The City of Sunnyside, Sunnyside, Washington (hereinafter referred to as "Local Government"), who hereby agree as follows:

Purpose of Agreement and Security Provided

The Federal Government and the Local Government establish this Agreement that allows the United States Marshals Service (USMS) to house federal detainees with the Local Government at the Sunnyside Law and Justice Center (hereinafter referred to as "the facility").

The population, hereinafter referred to as "federal detainees," will include individuals charged with federal offenses and detained while awaiting trial, individuals who have been sentenced and are awaiting designation and transport to a BOP facility, and individuals who are awaiting a hearing on their immigration status or deportation.

The Local Government shall accept and provide for the secure custody, safekeeping, housing, subsistence and care of federal detainees in accordance with all state and local laws, standards, regulations, policies and court orders applicable to the operation of the facility. Detainees shall also be housed in a manner that is consistent with federal law and the Federal Performance-based Detention Standards.

At all times, the Federal Government shall have access to the facility and to the federal detainees housed there, and to all records pertaining to this Agreement, including financial records, for a period going back 3 years from the date of request by the Federal Government.

Period of Performance

This Agreement is effective upon the date of signature of both parties, and remains in effect unless terminated by either party with written notice. The Local Government shall provide no less than 120 calendar days notice of their intent to terminate. Where the Local Government has received a Cooperative Agreement Program (CAP) award, the termination provisions of the CAP prevail.

Assignment and Outsourcing of Jail Operations

Overall management and operation of the facility housing federal detainees may not be contracted out without the prior express written consent of the Federal Government.

Medical Services

The Local Government shall provide federal detainees with the full range of medical care **inside** the detention facility. The level of care inside the facility should be the same as that provided to state and local detainees. The Local Government is financially responsible for all medical care provided **inside** the facility to federal detainees. This includes the cost of all medical, dental, and mental health care as well as the cost of medical supplies, over the counter prescriptions and, any prescription medications routinely stocked by the facility which are provided to federal detainees. The cost of all of the above referenced medical care is covered by the federal per diem rate. However, if dialysis is provided within the facility, the Federal Government will pay for the cost of that service.

The Federal Government is financially responsible for all medical care provided **outside** the facility to federal detainees. The Federal Government must be billed directly by the medical care provider **not** the Local Government. In order to ensure that Medicare rates are properly applied, medical claims for federal detainees must be on Centers for Medicare and Medicaid (CMS) Forms in order to be re-priced at Medicare rates in accordance with Title 18, USC Section 4006. The Local Government is required to immediately forward all medical claims for federal detainees to the Federal Government for processing.

All **outside** medical care provided to federal detainees must be pre-approved by the Federal Government. In the event of an emergency, the Local Government shall proceed immediately with necessary medical treatment. In such an event, the Local Government shall notify the Federal Government immediately regarding the nature of the federal detainee's illness or injury as well as the types of treatment provided.

Medical care for federal detainees shall be provided by the Local Government in accordance with the provisions of USMS, Publication 100-Prisoner Health Care Standards (www.usmarshals.gov/prisoner/standards.htm) and in compliance with USMS Inspection Guidelines, USM 218 Detention Facility Investigative

Report. The Local Government is responsible for all associated medical record keeping.

The facility shall have in place an adequate infectious disease control program which includes testing of all federal detainees for Tuberculosis (TB) as soon as possible after intake (not to exceed 14 days). When Purified Protein Derivative (PPD) skin tests are utilized, they shall be read between 48 and 72 hours after placement.

TB testing shall be accomplished in accordance with the latest Centers for Disease Control (CDC) Guidelines and the result promptly documented in the federal detainee's medical record. Special requests for expedited TB testing and clearance (to include time sensitive moves) will be accomplished through advance coordination by the Federal Government and Local Government.

The Local Government shall immediately notify the Federal Government of any cases of suspected or active TB or any other highly communicable disease such as Severe Acute Respiratory Syndrome (SARS), Avian Flu, Methicillin-resistant Staphylococcus Aureus (MRSA), Chicken Pox, etc., which might affect scheduled transports or productions so that protective measures can be taken by the Federal Government.

When a federal detainee is being transferred and/or released from the facility, they will be provided with seven days of prescription medication which will be dispensed from the facility. When possible, generic medications should be prescribed. Medical records must travel with the federal detainee. If the records are maintained at a medical contractor's facility, it is the Local Government's responsibility to obtain them before a federal detainee is moved.

Federal detainees may be charged a medical co-payment by the Local Government in accordance with the provisions of Title 18, U.S.C. Section 4013(d). The Federal Government is not responsible for medical co-payments and cannot be billed for these costs even for indigent federal prisoners.

Receiving and Discharge of Federal Detainees

The Local Government agrees to accept federal detainees only upon presentation by a law enforcement officer of the Federal Government with proper agency credentials.

The Local Government shall not relocate a federal detainee from one facility under its control to another facility not described in this Agreement without permission of the Federal Government.

The Local Government agrees to release federal detainees only to law enforcement officers of the Federal Government agency initially committing the federal detainee (i.e., Drug Enforcement Administration, U. S. Immigration and Customs Enforcement, etc.) or to a Deputy United States Marshal (DUSM). Those federal detainees who are remanded to custody by a DUSM may only be released to a DUSM or an agent specified by the DUSM of the Judicial District.

USMS federal detainees sought for a state or local court proceeding must be acquired through a Writ of Habeas Corpus or the Interstate Agreement on Detainers and then only with the concurrence of the district United States Marshal (USM).

Optional Guard/Transportation Services to Medical Facility

If Medical Services in block 13 on page (1) of this Agreement is checked, the Local Government agrees, subject to the availability of its personnel, to provide transportation and escort guard services for federal detainees housed at their facility to and from a medical facility for outpatient care, and transportation and stationary guard services for federal detainees admitted to a medical facility.

These services should be performed by at least two armed qualified law enforcement or correctional officer personnel. If the Local Government is unable to meet this requirement, the Local Government may seek a waiver of this requirement from the local U.S. Marshal.

The Local Government agrees to augment this security escort if requested by the USM to enhance specific requirement for security, prisoner monitoring, visitation, and contraband control.

If an hourly rate for these services has been agreed upon to reimburse the Local Government it will be stipulated on page (1) of this Agreement. After 36 months, if a rate adjustment is desired, the Local Government shall submit a request. Mileage shall be reimbursed in accordance with the current GSA mileage rate.

Optional Guard/Transportation Services to U.S. Courthouse

If U.S. Courthouse in block 13 on page (1) of this Agreement is checked, the Local Government agrees, subject to the availability of its personnel, to provide transportation and escort guard services for federal detainees housed at its facility to and from the U.S. Courthouse.

These services should be performed by at least two armed qualified law enforcement or correctional officer personnel. If the Local Government is unable to meet this requirement, the Local Government may seek a waiver of this requirement from the local U.S. Marshal.

The Local Government agrees to augment this security escort if requested by the USM to enhance specific requirements for security, detainee monitoring, and contraband control.

Upon arrival at the courthouse, the Local Government's transportation and escort guard will turn federal detainees over to a DUSM only upon presentation by the deputy of proper law enforcement credentials.

The Local Government will not transport federal detainees to any U.S. Courthouse without a specific request from the USM who will provide the detainee's name, the U.S. Courthouse, and the date the detainee is to be transported.

Each detainee will be restrained in handcuffs, waist chains, and leg irons during transportation.

If an hourly rate for these services has been agreed upon to reimburse the Local Government it will be stipulated on page (1) of this Agreement. After 36 months, if a rate adjustment is desired, the Local Government shall submit a request. Mileage shall be reimbursed in accordance with the current GSA mileage rate.

Additionally, the Local Government shall notify the Federal Government as soon as possible when a federal detainee is involved in an attempted escape or conspiracy to escape from the facility.
