

CITY OF SUNNYSIDE

HYDRANT METER RENTAL INSTRUCTIONS

Please allow minimum of 48 hour notice for Water Division to set up the hydrant meter.

1. The meter assembly shall be used per instructions to measure **all** water used.
2. Water will be billed at the current City water usage rate. All water used and daily rental fees will be billed to the user upon return of the meter assembly. If use exceeds thirty (30) days, billing will be monthly. Deposit will be retained until all bills are paid in full.
3. Only City of Sunnyside personnel are authorized to make any adjustments, repairs or modifications to the meter assembly. If any of these are needed, please contact the Public Works Office at 509-837-5206.
4. If the assembly is lost, damaged or altered by the user, the user shall be responsible for any necessary repair or replacement costs which will be deducted from the deposit.
5. The user shall obtain permission from the Public Works Office if the need to use a different hydrant than the one listed becomes necessary. The meter shall not be relocated to another hydrant by anyone other than City personnel.
6. The user shall promptly notify the Public Works office of any defects observed in the hydrant meter they are using.
