This permit becomes null and void if the work or construction authorized is not commenced within 180 days or if work or construction is suspended or abandoned for 180 days at any time after work is commenced or if work is not completed within one (1) year from date of issue.

All work shall be done in accordance with the approved plans, except where such approval is in conflict with other codes. The approved plans shall not be changed or modified without the prior approval of the City.
